3.5T EXPEDITION RANGE

COMPACT IN SIZE. CAPABLE IN DESIGN.

The Motorcraft 3.5T range is a purpose-built lineup of expedition vehicles, delivering serious off-road capability within a standard licence platform.

Each vehicle is a complete, fixed configuration - engineered for performance, durability, and off-grid use without unnecessary complexity.

Built in the UK for real-world travel, it's a refined, ready-to-go solution for confident exploration.
